Subaru of America

Manufacturer Safety recall issued
- NHTSA #22V624000
- Recall #WRG22 IMPREZA HEADLAMP
NON-COMPLIANCE
- Status: Remedy Available

Click Here or email us at
customers@subaru.com to locate an
authorized Subaru dealership near you
to obtain more information about this
recall.

 **Learn more about this recall**

Description: Subaru of America, Inc. (Subaru) is initiating a new safety recall for certain 2017-2019 model year Impreza vehicles, which may contain non-compliant headlamp assemblies.

The left front and right front halogen headlamp assemblies, containing the side reflex reflector and low beam reflector, may not fully meet requirements set forth in FMVSS No. 108 - Lamps, Reflective Devices, and Associated Equipment. At certain viewing angles, the left front and right front side reflex reflectors may not properly provide reflected light, which may lower the vehicle visibility to other road users, increasing the risk of a crash. Additionally, the left front halogen low beam reflector may not properly illuminate the

roadway for the driver and/or may cause glare for other road users, increasing the risk of a crash.

Remedy: For all affected vehicles, Subaru dealers will replace the left-hand and right-hand front headlamp assemblies at no cost to the customer.

Glossary

First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Manufacturer Recall

Automobile manufacturers issue recall notices to inform vehicle owners of a safety defect or failure to meet minimum federal safety or emissions standards. Manufacturer recalls are repaired at no cost to the customer.

New Owner Reported

When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
