02/17/2016		Toyota Motor Sales, USA, Inc.	Manufacturer Safety recall issued - NHTSA #16V096 - Recall #G0F SAFETY RECALL G0F - REMEDY NOTICE 2006 - 2012 MODEL YEAR RAV4 2012 - 2014 MODEL YEAR RAV4 EV REAR OUTBOARD SEATBELTS - Status: Remedy Available Locate an authorized Toyota dealer near you to schedule an appointment  Learn more about this recall

Description: The subject vehicles are equipped with lap-shoulder seatbelts in both second-row outboard seats. There is a possibility that, in the event of a very severe frontal crash, the lap belt webbing could contact a portion of the metal seat cushion frame, become cut, and separate.

If this occurs, the seat belt may not properly restrain the occupant, which could increase the risk of injury.

Remedy: Toyota dealers will install plastic covers over the metal seat frame at NO CHARGE.

Glossary

First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Manufacturer Recall

Automobile manufacturers issue recall notices to inform vehicle owners of a safety defect or failure to meet minimum federal safety or emissions standards. Manufacturer recalls are repaired at no cost to the customer.

New Owner Reported

When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.

Toyota Recall / Service Campaign

Portions of this report have been included under license from Toyota Motor North America, Inc. ("TOYOTA"), License Agreement TMS1013. This data applies only to vehicle marketed or originally sold in Mexico and the United States of America, including Guam, Saipan, American Samoa, Puerto Rico, the U.S. Virgin Islands and the other United States territories and protectorates with currently open safety or emissions recalls, or service campaigns. While TOYOTA provides data to Carfax Inc. on a regular basis, this report may not include very recent activity. For the manufacturer's most current information on recall/campaign activity for any Toyota, Lexus or Scion brand vehicle, you must go to <http://toyota.com/recall> or <http://lexus.com/recall>.
