* This odometer reading was not used in this calculation because the difference was too small or it is in kilometer. When a reading difference is small, it is due to either a data entry error of the date of the odometer or a rounding of the odometer and not likely due to a true rollback.

When an insurance company as a result of a total loss settlement acquires a vehicle, the insurance company must apply for a Salvage Certificate. If the owner retains possession of a salvage vehicle, the owner must obtain a Salvage Certificate before receiving a total loss statement from the insurance company.
Rebuilt/Rebuildable	Major State Title Brand Check	The vehicle was a salvaged vehicle that was refurbished with new or used parts. An affidavit of repair from the rebuilder or individual making the repairs, stating what repairs were made to the vehicle and that the vehicle is now rebuilt and road operable, may be required to obtain a rebuilt/rebuildable title. These vehicles must also pass a state safety inspection before being allowed back on the road.
Major Damage Incident	Damage Check	When a (i) State agency or third party reported an event that did or may have resulted in vehicle frame or mechanical damage, such as a collision or incident such as vandalism or theft, or (ii) a third party reported that an inspection indicates that a vehicle appears to have sustained frame or other damage. Not all damage events are reported to AutoCheck and the damage severity of reported events will vary. In all events AutoCheck recommends that prospective vehicle purchasers conduct a detailed vehicle inspection prior to purchase of a pre-owned vehicle.
Insurance Total Loss	Other Title Brand and Specific Event Check	Insurance companies label a vehicle a "total loss" when the cost to repair the vehicle to its pre-damaged state exceeds the cost of the vehicle's worth, or actual cash value. Insurance companies must follow certain state law (defined percentage of damage before it can be deemed a total loss) and they also can set their own standards for totaled vehicles.
