**Description:** Subaru of America, Inc. (Subaru) is recalling certain model year 2010-2014 Legacy vehicles manufactured November 26, 2008, to June 7, 2013, and 2010-2014 Outback vehicles manufactured January 9, 2009 to June 7, 2013. Due to contamination, components within the windshield wiper motor bottom cover may interfere with each other. If an obstruction, such as a buildup of snow or ice prevents the wiper arms from being able to stop in the parked position, the wiper motor may overheat and the bottom cover may melt.

If the windshield wiper motor overheats, the wipers may fail, reducing driver visibility and increasing the risk of a crash. Additionally, the wiper motor cover may melt, increasing the risk of a fire.

**Remedy:** Subaru will notify owners, and dealers will replace the windshield wiper motor bottom cover assembly, free of charge. The manufacturer has not yet provided a notification schedule. Owners may contact Subaru customer service at 1-800-782-2783. Subaru's number for this recall is WTK-71. Note: This recall supersedes recall 11V-469. All vehicles that were remedied under that campaign are affected by this campaign, and need to have their wiper motor bottom cover replaced again. NOTES: Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

[- Learn more about this recall](#)

**Description:** Subaru of America, Inc. (Subaru) is recalling certain 2010-2014 Legacy, Tribeca, WRX and Outback vehicles, 2010-2013 Forester vehicles and 2010-2011 Impreza vehicles sold, or ever registered, in the states of Alaska, Colorado, Connecticut, Idaho, Iowa, Maine, Massachusetts, Michigan, Minnesota, Montana, New Hampshire, New York, North Dakota, Oregon, Rhode Island, South Dakota, Utah, Vermont, Washington, Wisconsin, and Wyoming. These vehicles are equipped with certain air bag inflators assembled as part of the passenger frontal air bag modules used as original equipment or replacement equipment. In the event of a crash necessitating deployment of the passenger frontal air bag, these inflators may explode due to propellant degradation occurring after long-term exposure to absolute humidity and temperature cycling.

An explosion of an inflator within the passenger frontal air bag module may result in sharp metal fragments striking the front seat passenger, driver or other occupants resulting in serious injury or death.

**Remedy:** Subaru will notify owners, and dealers will replace the front passenger air bag inflator, free of charge. Owners may contact Subaru customer service at 1-844-373-6614. Subaru's number for this recall is TKC-19. ## Glossary

[View Full Glossary](#)

### First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

### Manufacturer Recall

Automobile manufacturers issue recall notices to inform owners of car defects that have come to the manufacturer's attention. Recalls also suggest improvements that can be made to improve the safety of a particular vehicle. Most manufacturer recalls can be repaired at no cost to you.

### New Owner Reported

When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles.

### Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

### Repossession

When a repossession occurs a vehicle owner fails to make loan payments, and the financial institution holding the title takes possession of the vehicle.

**Title Issued**

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
