General Motors

Manufacturer Non-Compliance recall issued

- NHTSA #23V339
- Transport Canada# 23279
- Recall #N232403240 CHILD SEAT ANCHOR INTERFERENCE
- Status: Remedy Available

Locate an authorized General Motors dealer to obtain more information about this recall.

 [Learn more about this recall](#)

Description: General Motors has decided that certain 2020 - 2023 model year Chevrolet Equinox and GMC Terrain vehicles may not conform to S9.1.1(a) of Federal/Canada Motor Vehicle Safety Standard (FMVSS) No. 225, "Child restraint anchorage systems.", (CMVSS) No. 210.2, "Lower Universal Anchorage Systems for Restraint Systems and Booster Seats". One or more of the four rear seat lower child seat LATCH anchorage bars may have been finished with excessive powder coating, which could cause portions of the bar to exceed FMVSS 225's 6 mm \pm 0.1 mm diameter requirement.

Excessive powder coating could, in rare cases, prevent the installation of a child seat using the LATCH anchorage bars. Should this occur, owners should install child seats in the subject vehicles using the vehicle's rear seat belts, in accordance with the vehicle owner's manual and child-seat manufacturer's installation instructions, until the recall repair is performed.

Remedy: Dealers will inspect and, if necessary, remove and replace the finish on rear seat lower child seat LATCH anchorage bars.

Glossary

First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Manufacturer Recall

Automobile manufacturers issue recall notices to inform vehicle owners of a safety defect or failure to meet minimum federal safety or emissions standards. Manufacturer recalls are repaired at no cost to the customer.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
